## VOX POPULI FOR MOHAMMAD SIBTAIN KADRI

**Sibtain Kadri** impressed me with his ability to be articulate about difficult concepts and texts, his sensibility to the nuances within English literature, and his passion for reading, writing, and creative expression both in and out of the classroom. He is a sharp, sensitive, and deeply self-aware individual driven with a spark to explore art, writing, and a deeper understanding of English literature in particular. I also had the pleasure of guiding Sibtain in his D.C.E project entitled “The Spectrum”, a collection of 12 poems for his Diploma in Creative Writing in English from Indira Gandhi National Open University (IGNOU), New Delhi. Sibtain is an eloquent speaker with great oratory skills and is also good at debating skills. He has actively taken part in all literary activities like essay writing, debate, extempore, elocution, etc. He is indeed a prodigy in all aspects.
