

Subject Studied

First Year

1. English Language
2. Basic Physics
3. Inorganic Chemistry
4. Introductory Forensic Science and Criminalistics
5. Practical- Inorganic Chemistry
6. Practical- Basic Physics

Second Year

7. Organic Chemistry
8. Law for Forensic Scientists
9. Environmental Studies
10. Fundamentals of Biology
11. Practical- Organic Chemistry
12. Practical- Fundamentals of Biology

Third Year

13. Physical Chemistry
14. Fundamentals of Mathematics and Statistics
15. Fundamentals of Computer Science
16. Instrumentation and Investigation Techniques
17. Practical- Physical Chemistry
18. Practical- Forensic Science
